VSO Software Newsletter n°51

December 2015

In this issue:

- **Latest News**
- **Did you know?**

Latest News

- **Black Friday/Cyber Monday discount**

Our Black Friday and Cyber Monday discount is not limited to a single day, but lasts all week, starting now! Enjoy **20% off** on all our products until Dec, 4th by entering the code **CYBER** in [our shopping cart](#).

- **New updates**

We have released new versions of our [video converters](#), to be [downloaded here](#). [ConvertXtoHD](#) users in particular will find new hardware encoding and decoding settings.

- **Beta tester call for VSO Downloader**

[VSO Downloader](#) fans, rejoice! We have a new major version in store with support for new protocols (or more websites) and file formats too. We'd like to get your feedback before releasing it officially! Please [contact us](#) to get enrolled!

- **Christmas shopping guide**

This year, you'll have no excuse! With our [special holiday gift guide](#), you'll get enough original and/or geeky ideas to spoil everyone -including yourself!

- Our gift: a special font pack!

Get creative with your DVD menus and subtitles! We compiled the most iconic movie title fonts (Star Wars, the Godfather, etc) in [one special pack](#) so you can customize all your text. Find out how to install them in the guide below!

Did you know?

Aa

- How to install new fonts on your PC

Customize your DVD menu (and subtitles) with some great new fonts! They're super easy to install on your computer, simply [follow the guide](#).

If you want to contact us please use [support form](#) or our [Facebook](#) and [Twitter](#) accounts. Read [our blog](#) for great info, funny stuff and video news!

Bye for now!
