## Latest News

### - New VSO Downloader

We have just released an update of our [video downloading program](#) where even more sites are supported. It also integrates a proxy driver which adds support for USB modems and 3G Keys; this will lead the way for better support for secured streams (https) in the future.

Read [this post](#) for more info.

Download VSO Downloader [here](#).

### -New updates

New versions of [ConvertXtoVideo](#), [DVD Converter](#) and [Blu-ray Converter](#) are available! They include support for OpenCL (ATI/AMD) and compatibility with latest NVIDIA updates for even quicker conversions among other improvements.

We have also updated our [ConvertXtoDVD](#) and [ConvertXtoHD](#) programs.

[Update](#) your software now!

### - Check out our new company presentation

We have just added a video presentation on the website, [check it out!](#)

### -Join our translation team!

We're always on the lookout for native speakers to help us translate our programs. Please [let us know](#) if you'd like to join our translator team (especially if you speak German, Danish, Turkish, Arabic...)!
