Latest News

-VSO Downloader 4: even more powerful

Our video/audio downloading tool is reaching new heights of efficiency with the following new features:

- Support of securized streams (now allowing to download content from Grooveshark...) ([Ultimate](#) version only)
- Ability to deactivate/reactivate the stream detection, useful as you don't have to close the app while surfing the net.

Download the update [here](#).

-Back to school discount

No need to actually go to school to enjoy our special discount. Enter the code **backtoschool** in our [shopping cart](#) to get 20% off all our products!

-VSO nails the ice bucket challenge!

We participated in the ALS ice bucket challenge and you can watch [our video here](#). The ice cubes did melt quickly, but they definitely were added to the bucket beforehand!

Great Idea

-Even your grandma can convert videos!

And we're not kidding. Our programs are so easy to work with that even "elderly" people master their use in no time. To celebrate "Grandparents" day (Sept,7th) we're looking for our oldest users (male and female) to offer them both a license of their choice!

[Use this form](#) to send us a message with your email, name and age and the oldest one of you wins! You have until Sep, 30th 2014 to participate.

Did you know?

- New video guides

Check out our new video guides for [Blu-ray Converter](#) and [VSO Video Converter](#) to discover their many features and see how easy they are to use. Also, more tutorials on our [Youtube channel!](#)

If you want to contact us please use [support form](#) or our [Facebook](#) and [Twitter](#) accounts.

Bye for now!

The VSO Software Team
