- New VSO Downloader 4

Download streaming videos from even more websites with the new major version of our FREEWARE [VSO Downloader!](#)

Version 4 offers a thumbnail view of the video being downloaded for immediate identification: no more time wasted on waiting for download completion to check if you have the right video.

On top of many more websites now supported, new audio conversion formats, Flac and M4v, have also been added.

Download the free version [here](#).

VSO Downloader is the favorite downloading tool of thousands of users! ([check out their feedback](#))

If you're not one of them, here is what you're missing:

- A free program
- A powerful tool that supports many websites
- A super easy tool to download videos from the internet: open the program, play the video, you're done
- A super fast converter to put the videos in the right format for your Ipad, smartphone, PC, etc.
- A clever way to get all your favorite music with the free Mp3 converter: the sound is extracted from the video and converted to Mp3, perfect for creating playlists!
- A great way to never miss any important TV shows, series, movies, radio broadcast... download the video, it's saved on your PC and you can watch it whenever you want!

Convinced? [Give VSO Downloader 4 a go now!](#)

If you watch videos on the internet and wish you could keep them on your PC but have no idea how to do this, or reckon it's going to be complicated, please think twice and check out our [demo video](#). In a few minutes all these videos can be downloaded legally onto your PC in just two clicks!

*** WORLD CUP SPECIAL***

If you're a soccer (or football) fan, make sure you don't miss any of the games by using VSO Downloader to download them or record the best goals of the competition!

-ConvertXtoDVD 2 and 3 users: great discount to upgrade your software

With XP support now over, many of you might want to move on to Windows 7 or 8. If you own a license of ConvertXtoDVD 2 or 3, be aware that these versions are not fully compatible with the newer Windows OS. You have no choice but to upgrade to the more recent ConvertXtoDVD version 5 (or 4) to convert videos to DVD.

But, good news, we offer a great price for the update: an amazing 50% discount (ie you only pay 19.99\$/€ or 17.49£) for the 1 year upgrade! [Contact us](#) if you would like to take advantage of the offer (only applies to ConvertXtoDVD 2 or 3 license holders who never updated to v4 or 5 before)

Great Ideas

- Get the full movie theater experience at home!

So you're ready to watch a great movie converted with one of our [video converters](#), but to get the full movie theater experience, don't forget the popcorn! And we don't mean the boring kind: s'mores, nacho, caramel, pad thai... check out these super easy and original [pop corn recipes](#)!

Did you know?

- Make VSO Media Player your default video and audio player on your PC

Make sure you use our awesome and free media player [VMP](#) whenever playing any video or music file on your PC. [Here is how](#) to set it as default player.

If you want to contact us please use [support form](#) or our [Facebook](#) and [Twitter](#) accounts.

Bye for now!
